

April Showers Bring May Flowers

Hello Parents and happy May!

Flowers are one of my greatest joys in life and, as I stated last month-even in a pandemic, flowers grow. I've begun to buy my baskets to nurture throughout the summer.

This week I had the pleasure of assisting Mr. Malear with two projects. The first was the technology distribution to VES families. How wonderful it was to see families we miss so much drive up to receive their devices. While at VES, I couldn't help but notice how beautiful the daffodils and tulips are that we planted last October. I posted pictures of the flowering trees and the daffodils on next week's Youtube presentation in the Counselor's Corner of VES's Learning Links.
If you're out walking or driving, please take a look.

The second project was visiting our Citizens of the Month for April. We delivered pizzas to the students and their families for lunch. Students were so surprised and grateful and it was wonderful seeing those smiling faces. Domino's is such a community minded business and they donate all our Citizen of the Month lunch pizzas. Since we aren't at school but wanted to honor our students, Domino's donated 20 pizzas-one per family! That's a lot of pizza!
Mr. Malear and I plan to visit May's Citizens also.

That brings me to our May character trait: Fairness. I thought how fitting it was to end our year with Fairness because many things in life don't seem fair right now. Being a fair student means that you follow the rules-even when you don't want to. Being a fair student means you are a good winner and a good loser even though we know how hard it is to lose. And finally, being a fair student means that you are honest. I hope students will check out the full video on Fairness also on Youtube, Counselor's Corner, Learning Links.

There are now two food distributions available for families. On May 5 from 1:00-3:00 p.m. Second Harvest and the National Guard will hand out food boxes. Please see the flyer on the VLSD website for further information. The second food distribution is on May 6 with pre-registration required. Information and applications are located on the district website.

Once again, if there is anything that I might do to help during this time, please call me at 419-433-2228 or email me at egreenawalt@vermilionschools.org.
Best Wished for a great May!
Mrs. Greenawalt
