Nothing contained herein shall be construed as limiting the right of any classified employee having a complaint or problem to discuss the matter informally with any appropriate member of the Administration and have the grievance adjusted without intervention and/or consultation of OAPSE, provided the adjustment is not inconsistent with the terms of this contract.

12.03 TIME LIMITS

If the grievance is not filed at Level Two within fifteen (15) days after the aggrieved party knew of the event or condition upon which it is based, the grievance shall be considered waived. Days in this Article shall be defined as days the Vermilion Board of Education's business office is open for business (including the summer), unless otherwise agreed to. The number shall be considered as a maximum and every effort should be made to expedite the process.

12.04 PURPOSE OF GRIEVANCE PROCEDURE

The primary purpose of this procedure is to secure, at the lowest possible level, equitable solutions to grievances, which may from time to time arise. Both parties agree that the proceedings will be kept confidential.

12.05 LEVELS OF THE GRIEVANCE PROCEDURE

LEVEL ONE - An employee with a grievance shall first discuss it with a representative of the Union. After discussion with the Union, he/she shall discuss it informally with his immediate supervisor and/or principal, either individually or together with his local OAPSE representative. This level does not require either a written grievance or response.

LEVEL TWO - In the event the grievant is not satisfied with the results at Level One, the employee must timely file the written grievance with the office of the Assistant Superintendent, or designee. A copy of the grievance will be given to the local union president and the immediate supervisor and/or principal. Any written grievance shall identify the date and people in the Level One meeting.

The immediate supervisor and/or principal, or his designated representative(s) shall, within five (5) days of receipt of the grievance, schedule a hearing concerning the grievance. The grievant will be contacted to establish a meeting mutually agreeable as to the date, time and place. Once established, a written confirmation of the meeting will be sent to the grievant and the local union president. The hearing shall include the grievant, his representative, the person conducting the hearing, and whoever may be needed to give information as to the claim.

Within five (5) days of the conclusion of the hearing, the written decision, along with the reasons in support, shall be issued to the grievant and the local union president.

LEVEL THREE - In the event the grievant is not satisfied with the disposition of the grievance at Level Two, or if no decision has been issued within five (5) days from Level Two hearing, the employee shall refer the grievance to the Superintendent of Schools, or designee, with a copy to the Grievance committee.

The Superintendent (or designee) shall, within five (5) days of receipt of the Grievance, schedule a hearing concerning the grievance. The grievant will be contacted to establish a meeting mutually agreeable as to the date, time and place. Once established, a written confirmation of the meeting will be sent to the aggrieved and the grievant, the Union President, OAPSE Field Representative, the Superintendent or designee, and whomever may be needed to give information as to the claim.

LEVEL FOUR - ARBITRATION

If after receiving the decision of the Superintendent (or designee), the grievant or the Union is not satisfied with the decision at Level Three, the grievant or the Union may request arbitration. Arbitration must be requested in writing within twenty (20) days after receipt of the written answer given by the Superintendent or designee under Level Three of the grievance procedure with a request to the American Arbitration Association for a panel of nine (9) arbitrators.

12.06 PROCEDURE FOR ARBITRATION

Within thirty (30) days of receipt of the panel of arbitrators, the Union and the Board representatives shall alternately strike names from the panel of arbitrators until one name remains, and this person shall be the arbitrator.

The decision of the arbitrator shall be final and binding upon the parties and the parties hereto shall share equally the expense and fees of the arbitrator.

The arbitrator shall not have the power to add to, subtract from, or modify this Agreement. All grievances and disputes between the parties as to the interpretation or application of this Agreement shall be subject to arbitration as herein provided. General wage, scale and other economic issues, as well as to the extension, re-negotiation or renewal of this Agreement shall not be subject to arbitration, except as provided in the procedures for negotiations.

12.07 RIGHT TO REPRESENTATION/OPT REDRESS UNDER LAW

No classified employee may be represented by any labor organization other than OAPSE in any level of the grievance procedure. Should an employee elect to seek redress by law rather than through the grievance procedure, this grievance procedure shall not be construed to deny the employee or OAPSE that right unless it involves the alleged violation, misapplication or misinterpretation of the Master Contract.

For the purpose of this grievance procedure, the Operations Coordinator shall be the “immediate supervisor” for all cafeteria employees, custodial employees and maintenance employees; the School Principal shall be the “immediate supervisor” for educational aides and monitors within his/her school; and the Transportation Supervisor shall be the “immediate supervisor” for all bus drivers, mechanics, and bus monitors. 8. Any employee who is not a member of the OAPSE Local is at liberty to present and settle a grievance without intervention or representation by OAPSE, provided the proper procedures are followed and the decision is not in violation of this document. A copy of the written disposition, if any, will be given to the local union president.
9. Unless mutually agreed otherwise, all grievance hearings shall be held outside of the normal working hours of the grievant or grievants involved so as not to interfere with their work responsibilities. The President of OAPSE Local #332, or building representative or member of the grievance committee will accompany and represent or observe the grievance at all steps of the grievance procedure.

10. If a grievance is not answered by an Administrator within the time limits specified, the grievance shall be referred to the next step.
11. Any grievance not advanced to the next level by the grievant within the time limit in that level, shall be deemed resolved in accordance with the decision at the previous step.
12. In the event a grievant chooses to have a grievance processed without participation of the Union, such grievant shall be liable for any expense incurred thereby.
13. Any grievance must be filed on the authorized form, which shall be made available to any employee(s) requesting such, either through his supervisor or through a member of the Union Executive Committee.

The Board agrees to work with the Union to allow members to attend Union meetings when possible. At no time will a building or work site be closed or not able to operate because of employees attending a Union meeting. Employees that attend Union meetings must complete all of their assigned work duties at no extra cost or time charged to the Board of Education.
- 13.05 Any meetings called by the Board, Administration or Supervisory personnel during the regular scheduled working hours of a building representative shall be without loss of pay.
- 13.06 Building representatives or Union officers shall be entitled to seek and obtain assistance from OAPSE staff personnel.

This release time will be limited to 40 hours per year unless additional time is authorized by the Board. It is understood that the President's Supervisor has the right to approve or deny any particular request based upon the Supervisor's judgment of the need of the schools.

ARTICLE 14 - LABOR RELATIONS COMMITTEE

- 14.01 A Labor Relations Committee (“LRC”) shall be established, consisting of the building/department representatives identified in Article 13, the local OAPSE President, and up to two (2) other bargaining unit members selected by the OAPSE President and selected members of the Administration designated by the Superintendent. Meetings will be held on a “request” basis and can be called by either party. The function of the Committee is to discuss employee problems that are relative to the current negotiated contract, employee problems outside the terms of the contract, to interpret Board rules and contract terms and to provide a regular vehicle for the discussion and possible correction of employee problems.
- 14.02 The LRC cannot be used to attempt to negotiate or re-negotiate an existing contract or items previously agreed to.

ARTICLE 15 - CLASSIFIED (NON-TEACHING) EMPLOYMENT CONTRACTS

- 15.01 Classified (non-teaching) employees shall be issued individual contracts in accordance with O.R.C. Section 3319.081 except that any employee whose initial contract is for a period less than nine months, if renewed, shall receive a contract for a period not more than one year which, if renewed, shall be for a period of two years. If renewed thereafter, the contract shall be continuing as provided by Section 3319.081. - 16.04 Seniority within **classification** will prevail.
- 16.05 Any employee who changes classification will have classification seniority as of the date of transfer.

- 16.06 Seniority shall be used in work assignments for new openings within a classification. This consideration will be done if at all possible and all parties are equally qualified. Any change in work assignments as a result of a request by a senior employee can be made no more than once in a calendar year.
- 16.07 Reduction in staff, if and when necessary, will be done in accordance with Ohio Revised Code Section 3319.172, by seniority in classifications. Layoff of regular employees shall be made within each classification in reverse order of classification seniority, the least senior employee to be laid off first. Probationary employees with least seniority will be discharged before any regular employees are laid off. Promotional probationary employees who have not completed the probationary period will be laid off from their probationary positions and returned to their former positions before regular employees are laid off. Classifications shall be as defined in Article 2 of the Agreement.
- 16.08 An employee laid off from his/her job classification may, if holding greater **classification** seniority, bump only the least senior employee in the job classification. This procedure will be followed through the job classification until either the bumped employee is able to bump the least senior employee in the job classification or is placed on a recall list either by virtue of the existence of no less senior employees or by the determination not to bump. An employee who declines to bump shall be laid off and placed on the recall list.
- a. Special Needs Aide positions may be immediately reduced by the Board when a disabled student or students to whom a Special Needs Aide is assigned, cease to attend in the District, graduate, are deemed no longer in need of individual assistance per the IEP team, or are otherwise unavailable to access such services. The reduction in force provisions in of the Agreement are modified with respect to the position of Special Needs Aide to the extent that a Special Needs Aide so displaced may not automatically displace the least senior Special Needs Aide. In that case, the Administration may prevent such bumping if the best interests of the disabled student(s) affected so dictate. Such a determination by the Administration will be for good and sufficient reasons and not be arbitrary or capricious. Special Needs Aide who decline to bump into another Special Needs position and/or who are otherwise displaced as the result of a reduction will be given all other rights accorded other employees in the reduction in force provisions of this Agreement.
- 16.09 A part-time employee shall have no bumping rights over full-time employees. However, a part time employee can bump another part time employee. A full-time employee shall have bumping rights over another full-time employee or may bump a part-time employee.
- 16.10 Recall after any reduction will be done in reverse order to the reduction. Last employee off will be the first recalled.
- 16.11 When a reduction in classification(s) exists and an opening is available in a different classification, senior qualified employees will be considered in filling that opening.

- 16.12 The names of laid-off regular employees shall be placed on appropriate Recall Lists for a period of twenty-four (24) months. No new employees may be hired in a classification until no other employees remain eligible for recall to the job classification.
- 16.13 Notice of recall shall be provided by certified mail. The employee has seven (7) calendar days from the date of mailing to contact the Superintendent and advise that he/she accepts recall. The employee shall report for duty no later than fourteen (14) calendar days after contact with the Superintendent, unless a longer period is mutually agreed upon between the Superintendent and the employee. Failure to accept recall within these time periods shall result in forfeiture of further recall rights.
- 16.14 Seniority will be determined as follows:
- A) Date of hire.
 - B) Date of employment application, if two or more hired on same day.
 - C) Date first worked, if (A) and (B) are not applicable.
 - D) Coin toss if tied after (A), (B) and (C).

ARTICLE 17 - BID PROCEDURE

- 17.01 When a vacancy occurs in a classification or an assignment that the Board has determined to fill, it shall be posted on the District's website, and a copy will be sent to the OAPSE President. Vacancies will also be emailed to employees and any employee may request the vacant position in writing or on-line. In selecting the replacement employee the following formula shall apply:
- A. The vacant position shall be first offered to an employee within the classification of the position.
 - B. If an employee within the same classification requests a posted position in writing, the employee with the greatest classification seniority shall be awarded the position.
 - C. The highest seniority date shall be determined by the employee's department seniority.
 - D. If no other qualified interested member within the classification is interested in the position, then it will be filled by the most qualified applicant within the Department. Qualifications shall be the determining factor in filling an opening. Qualifications for a position shall be determined by the Administration in accordance with the minimum qualifications in the Job Description. Qualifications for a position, once established, shall not be altered in such a manner as to contravene the intent of this Article by giving incident qualifications emphasis for the purpose of denying a position to an otherwise qualified person (e.g. a person who possesses the skills and training required to use an Advanced Word Processing program shall not be disqualified merely because the position requires the use of a slightly different program, where the applicant could quickly learn to use the program). If the position is not filled by employees within the classification or department, the position may be filled by the most qualified applicant.

- E. Except those occurring from a termination or a new position to be filled, vacancies will be posted within two weeks and filled within 25 working days of the posting.
 - F. The Board has no obligation to employ a bargaining unit member in more than one position. However, when an employee holds a second position with the District, they may not remove themselves from their primary position to assume duties in the secondary position. For example, an employee hired as an aide may not utilize leave or arrange to alter scheduled working hours to take a field trip in a secondary position as a bus driver.
- 17.02
- A. The position first vacated because of a bid move may be filled with the most senior qualified employee in that classification that expresses interest. Positions unfilled by this procedure may then be filled by a qualified applicant within the Department after considering minimum job description qualifications and job-related factors, including Department seniority. If position is not filled within the Classification or Department, the position may be filled by the most qualified applicant.
 - B. Employees having an interest in the posted position, or any subsequent positions that might come open, must submit their name at the time of the original posting and within the posted time lines.
- 17.03
- A. Any employee moving to a new classification will be temporary for a 40 working day probationary period. The Board and the Union may waive this probationary period upon written mutual agreement.
 - B. Seniority will be maintained in the employee's previous classification until the transfer is made permanent or the probationary period is complete.
 - C. Seniority in the new classification will then date back to the first day transferred.
- 17.04 Any employee may bid on a lower paying job or on jobs with fewer hours. The pay rate will be the level bid or posted and not the employee's previous level.
- 17.05 When a transfer is required, the transfer will be voluntary, but if no volunteer is found, classification seniority will be used to determine the junior employee to transfer.
- 17.06 Supervisory or lead person positions will be posted in the form of notification to employees of vacancy and intent to fill the position. Interested and qualified employees will be considered and interviewed prior to outside candidates.

ARTICLE 18 - JOB DESCRIPTIONS/EVALUATIONS

- 18.01 The Administration will develop and furnish to the President of OAPSE Local #332, AFSCME, AFL-CIO, a copy of the job descriptions of each classification in the described bargaining unit covered under the terms of this contract. These copies will also be available to those employees at the date of hire.

- A. Educational Aide job description shall include the following responsibility:
“Administer student medication upon direction by principal and provided Board Policy #5350 and 5331 have been followed.”
 - B. Administrative Assistants, as well as the Technology Support Staff, will have clear job descriptions.
- 18.02 Annual reviews of all job descriptions will be performed by the Administration. The draft job descriptions will be given to the Union President who may request a labor-management meeting, to be held within 20 days. Suggestions to improve the job descriptions in order to better the educational and operations goals of the Vermilion Local Schools will be given serious consideration.
- 18.03 Evaluations will be based on facts, work rules and job descriptions. Evaluation standards will be applied equally to all employees in a classification. Written evaluations should be prepared and communicated by supervisors with input from bargaining unit leads such as food service managers and head custodians.
- Evaluations are intended to aid an employee in determining goals to better do one’s work in the following year. Areas recommended for improvements shall be supplemented with suggested ways the employee may obtain new goals or recommended improvements.
- 18.04 No evaluation of any employee shall be placed in any personnel file without an opportunity for discussion between the employee and the evaluator. The employee shall have the right to review and respond to any derogatory evaluation in accordance with Section 9.02.
- 18.05 Unless otherwise designated at the outset of any contract year, the primary evaluator for the Administrative Assistants and Technology Support departments shall be as indicated in Article 12.
- 18.06 Bargaining unit members may not serve as an evaluator for another bargaining unit member; however, nothing herein shall prevent assistance or input from bargaining unit members for that process.

ARTICLE 19 - ATTENDANCE

- 19.01 All days absent will be charged off as personal leave days - Article 26; or sick leave - Article 25; or holiday - Article 35; or vacation - Article 36. Absent employees must at all times either be in attendance or in authorized leave status. Employees are required to utilize the District’s automated system for absences.
- 19.02 Unexcused absence, including “no-call, no-show”, will be handled as follows:
- A) One day may result in a written warning and loss of pay.
 - B) A second offense may result in a disciplinary hearing, loss of pay for the day(s) and further suspension without pay.
 - C) Further offenses may result in termination.

- 19.03 Days for pre-scheduled absences other than covered by leave may be taken as follows:
- A) Advance written request with reason for absence are signed by the superintendent's authorized representative.
 - B) Scheduled absence may not be taken more than one time a school year.
 - C) Length of absence must be reasonable with the reason for absence.
 - D) All dates of absence are to be cleared with the supervisor and all arrangements for substitutes are to be cleared prior to date absence started.
 - E) No more than one out of every five employees in a classification or work area may pre-schedule absence under this Article at one time.
 - F) The decision as to whether or not an unpaid leave day will be granted resides with the Administration.

ARTICLE 20 - DISCIPLINARY PROCEDURE

20.01 Disciplinary warning and action will be used where there are violations of safety rules, regulations, law, board policy and procedure. No person shall be given employment, nor shall they retain employment by the Vermilion Board of Education, who is convicted and found guilty of any one or more offenses identified in O.R.C. 3319.39.

20.02 DISCIPLINE PROCEDURE

- A. No employee shall be disciplined except for violations of written rules or other just cause, including incompetency, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, violation of provisions of this Agreement, or any other failure of good behavior, and any acts of misfeasance, malfeasance, or nonfeasance.
- B. Disciplinary actions shall include verbal reprimands, written warnings/reprimands, suspension, involuntary transfers, and termination of bargaining unit members. Discipline shall be imposed on a progressive basis. However, the parties recognize some offenses may be dealt with on a more serious basis, including the possibility of termination for the first or subsequent offense(s), considering the offense and its severity. Discipline shall be applied per instance. Progressive discipline shall be defined as the following:
 - 1. Verbal Warning
 - 2. Verbal or Written Warning/Reprimand
 - 3. Written Warning/Reprimand, with or without suspension, without pay for up to five (5) days.
 - 4. Suspension without pay beyond five (5) days.
 - 5. Termination.
- C. Upon request, each bargaining unit member shall have his/her union representative present at any disciplinary meeting and will be afforded a reasonable amount of time to locate a union representative. A bargaining unit member will be notified in writing of a disciplinary meeting beyond a written warning/reprimand. In the notification, the reason for the disciplinary meeting shall be stated. An employee may request that a union representative be present.

- D. The results of the disciplinary meeting shall be communicated to the employee in writing within fifteen (15) days, unless further investigation is necessary.
 - E. No bargaining unit member shall issue any formal discipline to another bargaining unit member.
- 20.03 All written warnings and/or reprimands given as part of a disciplinary action will require that a copy be sent to the Union President.
- 20.04 The parties agree that failure to wear required personal protective equipment, failure to immediately report an injury, and/or knowingly creating a safety hazard/risk to self or others are among the appropriate grounds for discipline, up to and including termination.
- 20.05 Upon the request of the employee, disciplinary records pertaining to such employees shall be expunged from the employee's disciplinary record after twenty-four (24) months of no additional infractions following the initial infraction.

ARTICLE 21 - WORKER'S COMPENSATION

- 21.01 All employees covered under this contract are protected under the Ohio Worker's Compensation Act in cases of injury or death incurred in the course of or arising out of their employment.
- 21.02 An injury incurred while performing assigned responsibilities must be reported on the day of injury to the injured employee's supervisor or other designated representative.
- 21.03 All applications for Worker's Compensation shall be processed through the Administrative office.
- 21.04 An injured employee shall have the option of applying for Worker's Compensation or using accrued sick leave.
- 21.05 If an injury to an employee occurs while on duty from an assault that was not initiated by said employee, Worker's Compensation will cover medical and lost wage claims.
- 21.06 The Board of Education will extend to the employee up to seven days of paid leave in order to cover days not paid by Workers Compensation during that first week. This paid leave will be filed for after the employee returns to work and will be a coordination of benefits with Worker's Compensation.
- 21.07 Documentation of injury and ability to return to work will be required to satisfy leave claims. An injury incurred while performing assigned duties shall be immediately reported to the injured employee's supervisor or, if unavailable, to the Director of Operations. Employees shall report all workplace accidents, injuries, and unsafe or unhealthy working conditions to their supervisors as soon as possible following the occurrence of the injury.

ARTICLE 22 - FUNDED WORK PROGRAM

22.01 The Union and the Board of Education recognize the merit and economic advantages to the community and residents in providing a work site and work experience to students and adult workers from various agencies. These workers shall not be utilized in such a way that they would eliminate a bargaining unit employee position or are used in the capacity of a substitute.

ARTICLE 23 - TRANSPORTATION - GENERAL

23.01 The Supervisor of Transportation shall provide a roster of students assigned to each bus, and a school calendar for the entire school year showing the days school is in session and days-off periods. Each driver may pick up such calendar up to thirty (30) days prior to the beginning of the school year, and one (1) such calendar will be posted in the drivers' room at all times.

23.02 A seniority list of drivers shall be kept up-to-date and shall be posted in drivers' room at all times.

23.03 The position of On Bus Instructor will provide training to regular and substitute bus drivers for the district, working with and under the direction of the Transportation Supervisor. This position includes regularly operating as a bus driver during which duties the OBI will receive his/her bus driver rate. During those hours assigned by the Transportation Supervisor for OBI duties, including any mandatory training, the individual will receive his/her bus driver rate plus a \$1 per hour adder.

23.04 The Transportation Supervisor or designee shall submit to the Treasurer's office the name of the driver and number of days substitute has driven and the name of the driver for whom he/she has substituted during each pay period.

23.05 It is a driver's responsibility to turn in his/her pay sheets as required to the Transportation Supervisor or designee. Any driver failing to do so will not receive a pay for that pay period. Drivers will be paid at the regular rate for all time required to prepare route maps and passenger lists at the beginning of the year (up to a 4 hour maximum).

23.06 Regular assigned drivers shall be paid according to the salary scheduled adopted by the Board. Placement shall be according to a driver's years of experience in the school system and subject to experience credit.

23.07 Copies of driver handbooks will be available to all regular bus drivers, monitors and other employees whose job requires a CDL by request at the bus garage.

23.071 For the purpose of properly warming up buses, completing pre-trip inspection, keeping buses clean, and fueling buses; drivers shall be paid for ½ hour daily over the time of their regular run.

POSTING AND BIDDING OF BUS RUNS

- 23.08 A. The Board agrees that all regularly scheduled bus runs to be bid on for the coming year shall be posted in a conspicuous place in the bus garage one week before the scheduled bid date. Bidding will take place no later than two (2) weeks before the first day Vermilion Schools are in session. Bus monitors will be included in bidding for the available monitor positions.
- B. Any driver awarded a handicapped run must attend all monthly training meetings sponsored by the Erie County Board of Education during the school year, have completed the Board required pre-award training, if any, and be deemed qualified as per the job description and "Driver Training for Handicapped Bus" memo in the bus driver handbook. Each year the Board will offer one or more alternate positions for handicapped runs. The successful bidder(s) will attend the required training with pay at the appropriate rate for the time spent in those meetings. No other payments will be made for this training. The alternate(s) may be required to fill vacancies on handicapped runs should no qualified driver bid on such vacancies.
- 23.09 Bus runs will be listed according to the approximate capacity, approximate number of stops, the approximate miles, the approximate time to complete route and bus number.
- 23.10 If run or assignment modifications are required, the assignment will be made by seniority with drivers available to cover the extra work.
- 23.11 Bid runs shall be awarded to the employee holding the highest seniority date bidding on a given bus run.
- 23.12 If, after the initial bids are accepted, a run becomes available because of a driver permanently leaving employment, the run shall be posted for a period of five (5) days and bid in accordance with the above bid procedure. A driver may only bid during the year on a route which is at least one hour per day more than that driver's current route. All openings created through posting bid move will be filled as described in Paragraph 17.02.
- 23.13 Mid-day runs shall be bid separately, according to appropriate seniority. Drivers shall be paid one and one-half (1½) hours at their regular rate for mid-day runs. If using a bus other than that which is assigned to the driver for the morning or evening run, the driver will be paid for time actually spent fueling and cleaning this second bus. The driver shall first gain approval for fueling and/or cleaning from the Transportation Supervisor and, upon given approval, shall complete a time sheet accordingly. This time sheet shall be turned in during the pay period in which the fueling and/or cleaning were performed. Should the Board schedule separate mid-day runs, regular bus drivers may bid on the run as the regular driver or alternate (should the Board determine to offer an opportunity for an alternate). An alternate driver will be required to drive the run whenever it is temporarily open because the regular driver is unavailable. The alternate will be paid at the non-driving rate for one route familiarization and will receive all openings on the runs.

23.14 If any run changes by more than 15% in driving time after the bidding process is complete, drivers may bump, based on seniority, to a bus run with more time. Exclusions to this plan are the handicapped runs and changes in any other run time due to temporary local conditions.

FIELD TRIPS/ EXTRA REGULAR RUNS

23.15 Whenever possible, field trips will be posted five (5) days in advance and shall be awarded on a rotation basis by seniority from the posted list of drivers who have signed for the field trip. Sign up for these trips will be done on a monthly basis and all contracted drivers will be eligible.

23.16 A. If a signed driver does not desire field trips or shuttle runs, he or she shall have the option of withdrawing their name from the rotation list. However, if the driver remains on the list, there will be no trading of positions on the list and, if a field trip is refused for any reason, the driver's name shall be placed at the bottom of the list.

B. Three (3) turn in of trips assigned in one month without medical excuses or emergency reasons may result in a driver's name being removed from the list for the following month. Turn-in of trip assignments made less than twenty-four (24) hours before the trip start will not count toward the three turn-ins.

23.17 All scheduled field trips will be taken. If a contracted driver signed for regular rotation and is not available, other regular drivers will be asked, and then substitute drivers will be asked to take the trip. If no substitute is available, the junior-most driver on the seniority list who can be reached will cover the scheduled trips if not already driving.

23.18 There shall be a minimum of five rotation lists established for field trips: one for long or all day trips; one to cover trips starting in the A.M.; one to cover trips starting in the P.M. (before 4:00 P.M.); one to cover evening trips and weekend trips; one to cover handicapped trips. To be placed on the handicapped field trip list, the driver must be pre-trained and authorized to drive handicapped students by the Transportation Supervisor. All other non-handicapped trips shall be posted as soon as possible and offered to drivers according to seniority. If a trip is cancelled for any reason, the employee who was scheduled to take the trip shall be next in line to choose the next available open trip in the field trip rotation. Once that trip is filled, the employee will go back in the normal rotation.

23.19 Shuttles will be for school activities where students are shuttled from school to school, or other local sites, and the run does not exceed one-half hour. Shuttles are also to be in conjunction with or just before or just after the regular run. Shuttle pay will be for time exceeding regular work schedule and at the rate established in Article 41.01.

23.20 Substitutes will be used in case of absence of drivers on regular runs. They may also be used on special runs when all avenues of driver assignment, according to paragraph 23.16 are exhausted.

- 23.21 The Supervisor of Transportation shall post a monthly roster of all drivers offered trips and keep a duplicate roster for verification, should a discrepancy occur.
- 23.22 Drivers that take scheduled split trips will be paid even if the second part of the split is cancelled. The pay will be based on a minimum of two (2) hours at the driver rate or, if larger, the actual drive time of the first phase of the trip, multiplied by two (2).

DRIVERS LICENSE REQUIREMENTS AND EXPENSES

- 23.23 A. Replacement C.D.L. will be paid to the driver as is required to maintain license for employment by the Board.
- B. In-service and training will be paid to driver only the first time the driver is required to be retested because of new laws. Fees and charges, including abstracts, physicals and testing will be paid by the Board.
- C. Any current bus driver who fails to meet the Erie-Ottawa County Governing Board's Policy Guide on Qualifications of School Bus Drivers will be given an opportunity to work elsewhere in the school system, providing openings are available. If the driver regains certification, he/she will be reinstated with no loss of seniority or other rights as long as the absence does not exceed one year. This paragraph does not apply in cases where driver's licenses are pulled for violation of state or federal laws.
- D. The parties recognize each party's rights and obligations pursuant to the alcohol and drug testing regulations promulgated under the Omnibus Transportation Employee Testing Act of 1992. Necessary time for traveling to, participating in the alcohol and drug testing and returning to the District will be paid at the employee's regular rate (substitute rate plus \$.25 per hour). A bargaining unit member who tests positive for alcohol or drug use pursuant to these regulations will reimburse the Board for all costs associated with confirmatory, return-to-duty and follow-up testing. Assessment, evaluation and testing to insure compliance with aftercare or compliance post violation are the employee's responsibility and will not be paid.

ARTICLE 24 - SUBSTITUTES

- 24.01 Part time employees may be hired for all classifications and substitutes will be contracted for all classifications. If at all possible, an adequate substitute list will be maintained.
- 24.02 Any substitute working 120 or more days in one year will be given one year of service credit on the salary schedule if hired the following year as a full time employee.
- 24.03 Substitute workers are not included on any regular seniority list, nor do substitutes have seniority for consideration of a full time contract.

ARTICLE 25 - SICK LEAVE (O.R.C. 3319.141)

25.01 An employee accumulates one and one-fourth (1¼) days of sick leave for each completed month of service. Fifteen (15) days of sick leave will be granted per year. Employees with less than two hundred sixty (260) day contracts can accumulate sick leave days up to a maximum of two hundred twenty (220) days. Employees that work two hundred sixty (260) day contracts can accumulate two hundred thirty-five (235) days of sick leave.

Since sick leave is cumulative, an incoming employee with prior experience should request the Treasurer of the prior employer to certify to the Treasurer of the Vermilion Board of Education the employee's Ohio sick leave record.

25.02 Employees, on approval of the responsible administrative office of the school district, may use sick leave upon application for absence due to personal illness, illness or disability associated with pregnancy, or injury or death in the employee's immediate family.

25.03 Immediate family, as used herein, shall include: father, mother, brother, sister, spouse, foster child, grandchild, uncle, nephew, aunt, niece, brother-in-law, son-in-law, sister-in-law, daughter-in-law, mother-in-law, father-in-law, grandparents and member of the immediate household.

25.04 Sick leave balance will be current and posted once per month on each employee check stub.

25.05 Sick leave may be used in one hour increments.

25.06 Sick leave incentive - see Article 26.08.

25.07 Should an employee use sick leave for four (4) or more consecutive days, or use sick leave in a pattern of possible abuse, a doctor's excuse may be required for return to duty. Failure to do so could result in discipline, including a dock in pay.

25.08 To report off work for purposes of sick leave, the employee must inform their district supervisor. Prior to returning to work, the employee must likewise inform their district supervisor of intended date and time of return.

25.09 Sick Leave Accumulation and Conversion Procedure

A. For the purposes of sick leave accumulation only, a "day" shall be defined as the total contracted number of hours worked each day. Time worked beyond the regular assignment hours, including overtime, shall not be considered for sick leave accumulation purposes. Should the employee hold two contracts, for example, one as a bus driver and one as a cook, the Treasurer will use the total number of hours in the two contracts as the basis for calculation of sick leave.

B. The minimum work day for sick leave purposes shall be 6 hours for all bargaining unit Members who work a total of six hours or less.

- C. When an employee is ill and uses a day of sick leave, the day shall be deducted under the definition found in the preceding paragraph - one “day” equals six (6) hours for all employees who work six (6) hours or less.
 - D. When an employee has a change in daily hours, the sick leave adjustment shall be according to Memorandum of Understanding agreed to on June 12, 2000.
- 25.10 Family Medical Leave Act - Both parties recognize that under O.R.C. 4117 that neither party can bargain contrary to the federal law. Therefore, the Board agrees to abide by the provisions of the Family and Medical Leave Act of 1993 and amendments thereto. Furthermore, the Board recognizes the employees’ rights and freedom to exercise those rights under the FMLA, and equally the union recognizes the Board’s right and freedom to exercise their rights under the FMLA.
- A. A member of the bargaining unit who has been employed in the Vermilion Local School District for 12 months, and has worked at least 1,250 hours during that period is eligible for leave as provided under the Family and Medical Leave Act of 1993 (FMLA).
 - B. Leave under the FMLA guarantees paid medical insurance during the period of leave. A member of the bargaining unit who applies and is qualified may take up to 12 weeks of FMLA leave in any twelve (12) month period. That 12 month period begins the first day of their leave approved under the FMLA.
 - C. Leave under the FMLA can be used for birth of a child, adoption/foster care, serious medical condition of the employee or employee’s spouse, child or parent.
 - D. Application for leave under FMLA must be made 30 days in advance, except in cases of emergency.
 - E. A member of the bargaining unit may use a combination of paid sick leave and unpaid leave under the FMLA. When using any combination of sick leave and FMLA leave, the first day of the twelve (12) weeks of insurance coverage begins with the first day of leave, regardless of its type.
 - F. Rules governing the eligibility and application of Section 25.07 will be those in the FMLA of 1993 and amendments thereto, and the implementing policies adopted by the Board of Education.

ARTICLE 26 - PERSONAL LEAVE

- 26.01 A. Each member of the bargaining unit shall, for good cause shown, be entitled to three (3) days non-cumulative personal leave per school year, without loss of pay or accumulated sick leave. Request for personal leave shall be made to the Operations Coordinator at least three (3) days in advance of the anticipated absence. One of the three days may be taken for a personal reason without limitations of 26.02, 26.03 and 26.04.

- B. Employees who are hired on a contract after the contract year starts and result in less than a full year of credit will receive personal leave based on a pro-rating of three (3) days to the nearest half day for that year.

26.02 In cases of emergency, requests to the Operations Coordinator shall be made as far in advance of absence as is practicable in order that proper arrangements for handling the employee's duties may be made. Further, if circumstances make advance request impossible, the employee shall notify the Operations Coordinator of the reasons for leave as soon as is practicable and approval by the Operations Coordinator, or his designee, will, when appropriate, be granted after the fact. "Good cause shown" shall be presumed when personal leave is requested by reason of:

- A. Observance of a religious holiday.
- B. Court appearance as litigant or witness.
- C. Legal transactions or emergency personal business which cannot be taken care of on off school days or during off-school hours.
- D. Attendance at graduation exercises for a member of the employee's immediate family.
- E. Participation in the wedding of a member of the employee's immediate family.

These two days may not be scheduled for days just before a holiday or just after a holiday or vacation period or a recess in the work schedule.

- B. The third day, which will be classified as a personal leave day for personal reasons, will have no restrictions as to use, except it cannot be used to extend holidays, vacations or recesses in work schedule.

- C. Personal leave for all three days will be restricted to no more than one employee out of five from anyone work site or classification on anyone day. Request will be granted on personal days based on date of request and seniority if the date of request is the same.

- 26.06 Violation of the above standards and criteria established shall be subject to disciplinary action.
- 26.07 Employees will utilize the District's electronic reporting system for personal leave.
- 26.08 Pay incentives will be offered on the use of sick leave and personal leave. The incentives are as follows:
- a) Any employee that does not use any personal leave from July 1st through June 30th of a contract year will receive \$100.00 in extra pay the second pay in July.

The option would be for the minimum time permitted by State regulations and all provisions must be in compliance with State regulations for the time period.

43.02 A. The Annual Salary Notice shall include the first and last pay dates for the contract year and indicate the total number of pays for that year. Annual wages for each employee shall be calculated for each contract year (July 1-June 30) based on the hourly wage rates set forth in the Collective Bargaining Agreement. The annual wage calculation for 12 month employees will be based on 260 days worked per contract year. In years in which the actual number of potential work days (defined as Monday through Friday except paid holidays) exceeds 260 (either 261 or 262) the one or two excess days will be designated as non-work, unpaid days which will count as part of the work week under Section 37.08 for those employees. Those days are to be mutually agreed to prior to July 1 of any such year.

B. Salary payment shall be made either in twenty-six (26) or twenty-four (24) pays through electronic direct deposit. Any change shall occur only at the beginning of the school year with prior notice of that year's payroll schedule to OAPSE and members.

- C. If 26 pays, the annual wages will be divided into 26 equal pays, to be paid biweekly. In the years that contain 27 pay dates rather than 26 pay dates, the biweekly pay amount will be calculated by dividing the annual wages by 27 pays instead of 26 pays. Employees will be given advance written notice of a 27 pay year. Said notice will be issued by the Treasurer's office and shall be given to each employee prior to the beginning of that contract year.
 - D. If twenty-four (24) payrolls are used, payday shall be the first and third Friday of each month. The annual wages will be divided into 24 equal pays.
 - E. All hours worked above the employee's contract hours will be turned in on Wednesday after the last pay date. Those hours will be added into the employee's next paycheck.
- 43.03 The annual salary of employees whose work varies from the school calendar shall be determined for the purpose of equal payroll payments over 12 months, as soon as practical for the school year.

The method used to calculate the salary shall be to determine the normal hours per day for each district of assignment (plus clean-up/prep time for bus drivers as applicable). This daily hour amount shall be multiplied by the number of days to be worked in that district to arrive at the hours for the year multiplied by the applicable hourly rate to determine annual salary for each district of assignment. The total salaries for all districts of assignment per employee will be divided by the number of annual pay periods to determine the regular payroll amount. Copies of all supporting documentation as well as a summary of the calculations shall be submitted to the Treasurer's Office signed by the employee and supervisor prior to payment being made.

All work days will be counted as service days for retirement system and Ohio Bureau of Employment Services reporting purposes.

ARTICLE 44 - ASSAULT LEAVE

- A. Any employee who, without fault, must be absent due to physical disability resulting from an assault on such employee which occurred in the course of Board employment shall be entitled to Assault Leave with pay under the conditions stated hereinafter.
- B. Assault Leave shall not be approved unless and until the employee or designee authorized by the employee furnishes the Treasurer with a signed statement on the form prescribed by the Board and maintained by the Treasurer. This statement shall indicate the nature of the employee's injury, the date of its occurrence, the identity of the alleged assailant(s), if known, the facts surrounding the assault, and the willingness of the employee to participate and cooperate fully with the Board in pursuing legal action against the alleged assailant(s). If medical attention is required, the employee shall supply a certificate from a licensed physician stating the nature and duration of the disability.

- C. Assault Leave shall be granted for the period of the employee’s physical disability or 30 calendar days, whichever is less. If duration of the physical disability exceeds 30 calendar days, the employee may apply for an extension of Assault Leave which will then be considered and acted upon by the Board. In no event shall Assault Leave exceed the actual duration of physical disability.
- D. “Pay,” as used in this Section, means the salary or hourly or per diem rate of the employee, whichever is applicable, under the employee’s basic contract of employment in effect at the time of assault exclusive of (1) any supplemental contract of employment; and (2) any worker’s compensation due the employee by virtue of the employee’s physical disability.
- E. If the employee receives benefits under the State Employees Retirement System (Chapter 3309 Ohio Revised Code), or if the employee’s employment by the Board ceases for any reason whatsoever, Assault Leave under this Section shall automatically terminate.
- F. Falsification of either the signed statement or physician’s certificate required under this Section shall constitute grounds for suspension or termination of the employee’s employment under Section 3319.081 or Section 3319.16 of the Ohio Revised Code, whichever is applicable.
- G. Assault Leave approved under this Section shall not be charged against the employee’s sick leave or any other leave that may be granted under the Board’s rules and regulations.

Any amendment supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.
